

Greater Gardner Street Hockey Association

January 2019

Dear Sir/Madam,

The Greater Gardner Street Hockey League is a non-profit organization, designed to be an instructional program where the primary goals are to teach both the skills of the game and sportsmanship. Everyone who registers is assured an equal opportunity of playing regardless of ability. The program also provides the youth of the community with a useful and productive outlet for their energies. Each year over 300 youths from the Greater Gardner area, both male and female in ages ranging from 4 - 19 participate in the program. All league officers and more than 60 coaches participate on a volunteer basis to help make this program a reality.

A program of this size, even though we play our games at a state rink, costs a considerable amount of money to operate. Our costs include rink rental fees, scorekeepers, officials, and equipment.

We are asking for your help in continuing this highly successful program with a donation to sponsor a team or teams. For \$175 we can outfit a team in jerseys bearing your company/organizations name, if you are interested in sponsoring two teams the fee is \$300 (\$50 Savings). The shirts are then given to the players and are seen being worn long after the season is done. If you are interested in using your custom logo and purchasing your own shirts, please contact us at: boardofdirectors@ggsha.org

If sponsoring a team is not an option for you, please consider making a general donation to the league or to our End of Season Family Cookout. Your donation will help to keep the cost of the program affordable for all players, sponsor an individual player who would not be able to play otherwise, or help us thank the many committed individuals who allow this youth program to continue.

Thank you in advance should you chose to contribute.

Make remittance payable to:

Greater Gardner Street Hockey Association
