

May 12, 2023

Dear Community Member;

The Greater Gardner Street Hockey Association invites you to our inaugural golf tournament at the Westminster Country Club at 9:00 am on Friday, July 28., 2023.

Our golf tournament is intended to raise funds to help the Greater Gardner Street Hockey Association fund our yearly street hockey league. Our annual golf tournament is going to help purchase league owned hockey equipment, reduce player registration fees and offset playing time expenses. We are hoping that our fundraising efforts will expand our community participation in the league for many years to come. Since this is our first golf tournament, we are asking for your help in making it a huge success.

We are looking for a full course of golfers for our best-ball scramble format. Greens fees for the tournament are \$125.00 per golfer and include a buffet-style meal at the end of the day along with a complimentary gift.

If you, your group or company is interested in becoming a sponsor, a \$125.00 sponsorship will list your name on a tee-box sign for all participants to see.

If you are interested in sponsoring our efforts or better yet – want to join us for a great day on the course, please fill-out the information below and return this form along with checks made payable to the Greater Gardner Street Hockey Association. Include a business card for sponsorships and mail to:
GGS HA PO Box 804 Gardner, MA 01440.
We thank you for your support.

Sincerely,

Brian Rosengren
Vice President, Greater Gardner Street Hockey Association
